

> WHO ARE WE

The Post Production Buyers Guide is an online portal, news filter, and an extensive equipment buyers guide for the Post Production Industry

> WHAT WE DO

The Post Production Buyers Guide is one of the most comprehensive online resources for the Post Production industry, offering all the information required to find products, services and vendors for Post Production projects

Plus, it provides the latest Post Production industry news, new product news, new product reviews, Post Production Job Listings, Post Production Calendar of Events and a variety of other useful resources

> GREEN FROM THE GROUND UP

We are strictly an online-only resource, and we take pride in the fact that we are an eco-friendly publication. We minimize waste by not printing a hard copy buyers guide
